Certifications

Geekster | Geekster DSA & Full Stack Web Development Bootcamp
- Solved 400+ DSA/Coding questions on Hackerrank Platform of Geekster.
- Participated in various Geekathons organised by the platform.
- Worked on various projects like **Phone Finder**, **Pokémon Quest, Directory App** and **Elegant Themes Clone.**
- Technical Stack Learned **: React JS, JavaScript, TypeScript, HTML, CSS, Tailwind, jQuery, Lodash, Chart js, Redux, Zustand, Firebase.**

Projects

Phone Finder   [Deployed_Link]
- Overview: Developed **PhoneFinder**, a web application utilising JavaScript to enable efficient smartphone searching. Implemented dynamic search functionality to display detailed phone specifications, leveraging modern web technologies for a user-friendly interface.
- **Functionality**: Used JavaScript to build **PhoneFinder,** integrating an API to fetch smartphone data, implementing dynamic search functionality, and designing a straightforward user interface.
- **Tech Stack**: **HTML**, **CSS, JavaScript, Phone Api**.

The Vanilla Vault [Deployed_Link**]**
- **Overview**: Developed The Vanilla Vault, a ReactJS-based food delivery web application with seamless integration of **Firebase** for real-time data handling, **Firestore** for efficient data storage and incorporated user authentication.
- **Functionality**: Utilized **Redux** for state management, ensuring smooth user experience and efficient **API** handling for fetching food item details, sorting, and filtering. Firebase Authentication is implemented for secure user sessions.
- **Tech Stack**: **ReactJS, Tailwind CSS, JavaScript, Local Storage, Firebase, Firestore, Redux**

Skills

- **Computer Language** : Java, HTML, CSS, JavaScript, TypeScript.
- **Frameworks / Libraries** : , React JS, Tailwind, Bootstrap, Lodash, Anime Js, Chart Js, jQuery.
- **Tools & Technologies** : GIT & GitHub, VS code, APIs.
- **Soft Skills** : Problem Solving, Self-learning, Presentation, Adaptability.

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2023	B. Tech	GLBITM	8.4
2019	12th	CISCE	84.2%
2017	10th	CISCE	73%

Achievements and Co-Curricular Activities

- Ranked 1st in Module-2 of DSA/Coding questions on Hackerrank Platform of Geekster.
- Completed 30 days of Google Cloud.
- GeeksforGeeks- 640+ coding score.
- Leetcode - 120+ Questions
